

## Bellevue West Athletic Boosters 2018/19

You are invited to join the West Athletic Boosters for the 2018/2019 school year! We are an active group supporting all of West's athletics. You can simply support through membership dues or embrace opportunities to volunteer as well. We welcome all levels of involvement!

Your membership dues go directly back to the student athletes through the purchase of equipment and supplemental gear for our programs. (Sports with higher membership percentages are given funding priority so be sure to indicate your child's sport/s!)

Some of the most recent items purchased include:

## More Booster Member Information & Interest Survey

We're so glad you've chosen to join us as a Thunderbird Booster Club Member! As stated, your level of involvement in the club is up to you. Some prefer to just purchase a membership - which helps to fund our "grants" to the various athletic programs - while some are eager to join and get involved in raising even more money for our athletes and connecting with other athletes' parents. We are thrilled to have you; whichever route you take!

If you are in fact interested in becoming more involved in the Booster Club, there are many ways that you can do so. Please check any below that interest you and we will be sure to reach out to you when the opportunity presents itself. If you are not interested, no need to check anything!

### I would like to:

- be informed of monthly meetings via the email address on the front of the form.
- help distribute forms and sell T- Bird gear at the Booster table at school events such as games, conferences, open houses, etc....
- work concessions at sporting events.
- seek out advertisers for various booster publications.
- contribute ideas for growing/improving Booster support and fundraising efforts.
- be a Booster Club representative for my child's sport/s as listed on the front.
- be considered for special projects or events.

**Thank you for your support!!**
